**Actual Damages and Profits:** The copyright owner is entitled to recover the actual damages suffered by him or her as a result of the infringement, and any profits of the infringer that are attributable to the infringement and are not taken into account in computing the actual damages. In establishing the infringer's profits, the copyright owner is required to present proof only of the infringer's gross revenue, and the infringer is required to prove his or her deductible expenses and the elements of profit attributable to factors other than the copyrighted work.

(c) **Statutory Damages.** "the copyright owner may elect, at any time before final judgment is rendered, to recover, instead of actual damages and profits, an award of statutory damages for all infringements involved in the action, with respect to any one work, for which any one infringer is liable individually, or for which any two or more infringers are liable jointly and severally, in a sum of not less than \$750 or more than \$30,000 as the court considers just. For the purposes of this subsection, all the parts of a compilation or derivative work constitute one work.

(2) In a case where the copyright owner sustains the burden of proving, and the court finds, that infringement was committed willfully, the court in its discretion may increase the award of statutory damages to a sum of not more than \$150,000. In a case where the infringer sustains the burden of proving, and the court finds, that such infringer was not aware and had no reason to believe that his or her acts constituted an infringement of copyright, the court in its discretion may reduce the award of statutory damages to a sum of not less than \$200.

### Frequently Asked Questions

I am going to address several areas that i always receive hundreds of e-mails for every month from people that have questions about the magic spells ceremonies and ritual products sold here at ancient magic spells. I strongly suggest that you read this faq thoroughly before you e-mail me and asking any of the questions that have been addressed on this page.

### I HAVE HAD SPELLS CAST BEFORE BUT NONE OF THEM WORKED?

When you have had prior spells cast for you by one caster then another caster especially if it is for the same sort of problem or issue your spells will most likely conflict with each other and not work. You do not want to have conflicting lwa, deities, gods, demons. Goddesses, saints, djinn, devils, demigods or other such spirits involved in your spell casting or any ritual work or ceremonies. It will only make matters worse and not benefit you in any way possible. Any old spells that you have had cast in the past must be completely removed prior to any new casting. Here at ancient magic spells the old spell removal is included in the spell fee. Always ask your caster if the proper cleansing and protection spells and or rituals are included and performed before and after your main spell casting is completed. As well as the removal of any old spells that you might have had cast. If your spell caster says it is not needed, i strongly suggest that you find another spell caster or practitioner.

Also about 8% of the population is totally immune to any magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies cast on their behalf. If you are unsure about being immune to any type of magic, and would like to know before purchasing any spell work or services from me. There are spells that i use for testing that they are \$200.00 if you would like more information about that i can be reached at [admin@ancientmagicspells.com](mailto:admin@ancientmagicspells.com).

I can't use PayPal, do you accept other payment methods?

Yes, i will accept western union, money orders, cashiers checks, postal money order, certified bank checks, international money orders, international bank drafts, wire transfers, gift certificates, or even books, computers, consoles and new ps3 games as payment, Contact Us for more information.

### YOU FOUND SOME COMPLAINTS ABOUT MY SERVICES ONLINE?

If you searched for spell casters or practitioners online and saw several complaints about my services and the work that i do. I can understand why you would be doubtful or negative about having any spell work done by an online caster or practitioner. I updated this FAQ in January 2011 so that people can be properly informed about the frauds scams and rip off artists that operate online that are just after your money. I agree that it is difficult to find an authentic spell caster or practitioner online. When you search for a spell caster online there are an overwhelming number of spell casting sites to choose from and at least 90% of them are frauds after your money. I will explain things as much as i can in this blog. So that you can make an informed decision about finding a caster or practitioner that you can trust. I offer a lifetime guarantee on all of my spell work and services that are sold here at ancient magic spells. If you ever have a problem with any of my services all you have to do is contact me and i will take care of it for you. That being said there are some people that i have had as clients that did not follow my instructions as they were instructed to do so after the spell casting was completed. They got upset because things didn't go as they planned when they did the exact opposite of what i told them to do after the spell casting. I have been involved in the occult for over 31 years now and you have to trust me and do exactly what i tell you to do after the casting. If for some reason you cannot follow my instructions. It's best that you look elsewhere.

### BATH SOAP AND BATH OIL QUESTIONS

## DO MAGIC SPELLS LOVE SPELLS VOODOO SPELLS WITCHCRAFT SPELLS REALLY WORK?

Yes magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies do work most situations can be changed, altered and greatly improved for you. i get e-mails from people want to know when will I get everything I want? When will this work? or variations of the above mentioned questions. While i are very sympathetic to those in extremely difficult, painful and challenging situations that they face in daily life and do understand the anxiety and stress behind their questions, the fact of the matter is: there is no simple, magic spell to fix everything.

often in life people do not want to make the difficult choices and sacrifices to position their lives in a better or more positive environment. The spells that are offered here at ancient magic spells can help you change your life for the better. Time frames for improvement or resolution on many different matters depend greatly on your willingness to recognize your contributions to the problem, your poor choices or poor behavioral habits and, your willingness to move past these challenges. Many of the other issues the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits will intervene and help maneuver out of your way or in your favor. Typically, magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies results range between 80-90% success rates, however, they do not just hand you your wish for nothing. you must also put a lot of work, energy, focus and gratitude into your request. Often, magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies bring results that can take a great deal of time as well; the magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies work in their own time frame, however, many see movement in their lives, results and often, a resolution within 30-60 days after completion of the ritual or spiritual work. In my experience, your commitment to your magic spells, love spells, voodoo spells, witchcraft spells, rituals, ceremonies or any spiritual work and faith helps to expedite your resolution on any situation.

## SPIRITUAL BATH RITUAL QUESTIONS

All of the bath salts, bath oils and bath candles are prepared and ritualized for you and are shipped with detailed instructions. The most common question I have is about the candles. Occasionally, these candles do not burn down very fast and can actually take much longer to burn than your bath time. This is normal and there is no need to stay in the bathtub longer than you normally do because the candle has not fully burned down a knob. When you feel your bath ritual time is over, simply step out of the tub and let the candle continue to burn in an area you can keep an eye on it. This ritual is to draw spirit to you while performing the ritual. For the bath oils just use it as you normally would in the bath.

## MY LIFE IS GETTING WORSE I AM CURSED OR HEXED?

I have received thousands of e-mails over the years e-mails from people absolutely convinced they are the victim of evil spiritual work, curses, hexing and cursing this is why nothing works out in their lives. there are cases of highly skilled practitioners who can send very dark, negative and harmful spirits towards you to impede your life, do you find that you spend all of your money and not pay the mortgage until you are in dire need of money and about to be homeless, or are there other forces that impair you not being able to find a job even though you desperately need the income, or you abuse drugs with the grocery, bill, or rent money, drink excessively, hurt, harm or abuse your partner until they leave you, then stalk them because you can't understand why they want nothing to do with you, place your desperate need for any mate ahead of your children to the point your innocent children are in danger by this person and taken away from you, which you cannot understand why, etc. there are countless spirits that can ruin a persons life in numerous ways. when damage is caused by any spiritual entities, such as lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits. the situation will most likely only get worse and chronically manifest terrible situations in your life so that you remain the perpetual victim. until you have it checked and removed.

i do recognize and understand fully the negative spiritual energies, hexes, curses and horrible ritual work directed at others to ruin and destroy lives. For those who truly have serious situations of work being done against them, where everything is unraveling, severe illnesses, severe accidents, unforeseen obstacles causing your life to spiral out of control when their was a previous balance and harmony, and are seeking our assistance to resolve your situation, i require that you e-mail me for a free initial consultation to determine what forces are at work before recommending any magic spells, love spells, voodoo spells, witchcraft spells, rituals, ceremonies, spiritual work or remedies.

## DOING SPELL KITS MAGIC SPELLS RITUALS AND CEREMONIES YOURSELF

stay away from spell kits, candles, incense, amulets, charms, talismans, voodoo dolls and any magic items where you have to do any rituals or ceremonies. simply because of the fact that you are not a practitioner of the occult. such items have to be prepared properly by a professional with careful attention being paid to cleansing and protection spells or rituals. if such items are not used properly it can make your situation even worse. chances are good that you would be wasting your money on useless improperly prepared junk that will just give you problems. All spell candles, incense, voodoo dolls amulets charms, talismans and ritual items sold at ancient magic spells are properly cast and infused with the proper spell work prior to shipping to you. you will receive the correct instructions for maintaining and cleansing of your voodoo doll, amulet, charm, talisman or other ritual item.

## HOW MUCH FOR YOU TO CAST A SPELL FOR ME?

This is really sensitive area for many people. I firmly believe that having a spell caster or practitioner work with you for performing magic spells, love spells, voodoo spells, witchcraft spells, or ceremonies and rituals on your behalf is always a great source of power towards your goal. While i do offer powerful magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies performed for you, i strongly advise that you do not do your own work as well, or have any other spell caster or practitioner perform any kind of spell, reading, or any type of divination for you because of conflicts. It almost defies logic for those who desperately want to obtain something and yet, they do not listen to my instructions regarding the situation that you are having the spell work done for. My question to you is, how badly do you want this outcome? bad enough to listen and do exactly what i tell you after the casting, or ritual work is completed? For those who really need the help of a practitioner working on rituals with them, bear in mind that it is much more expensive avenue to pursue. You now have to factor their time, expertise, their offerings, their ritual work and divination throughout the entire casting process so, this quickly adds up in expense. As for the costs, this truly depends on the complexity of your situation. Each case is always completely different, everyone have distinctly different obstacles and problems, some more complicated than others. The magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies that are performed for you as offered at ancient magic spells range from normal circumstances to almost impossible circumstances and they are priced accordingly for the services provided as explained on the website. If your situation is far more complicated, with a longer time period of issues, such as outside parties interferences or spiritual attacks, other more intense and lengthier magic spells, love spells, voodoo spells, rituals and ceremonies are available. If your personal situation falls into any of those categories you most likely have found the spell for your needs. If the situation is life threatening, or if you are in an extreme situation where you need help fast. i suggest contacting me as soon as possible for a consultation so that i can determine the forces at work before recommending the correct magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial work that is needed for your situation.

Nonetheless, for those of you that are having custom or ritual work performed on their behalf by me. you will receive a fee schedule and a brief explanation before any magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonial work or casting is started, i do not list everything that your spell work will require simply because i do not practice any form of modern witchcraft, and i do not explain or give out my casting methods, the schedule will include time frames of completions, the information that you sent me about your situation so that it can be verified before any magic spells, love spells, voodoo spells, rituals or ceremonies are started on your behalf. as well as written updates sent to you via e-mail of the ritual work if applicable, outcomes of any divinations, or any other unforeseen work that was done in your case. and i always respond as soon as i possibly can to any reasonable inquiries should you need to discuss certain aspects of your case. and all correspondence is 100% confidential.

## TIME FRAMES AND RESULTS

Now i would like to mention the most common question that i receive about the magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies cast here when will i get results? How long for magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies to manifest results and the answer is: it depends upon the complexity of your personal situation and the amount of damage or interference within your relationship or situation and how truthful you are about your situation initially every situation is unique and therefore, timing always varies. i have found however, that results for most magic spells, love spells, voodoo spells, witchcraft spells and ritual typically manifest within three to six months. Rarely is a situation or relationship fixed overnight, please remember, your relationship or situation did not deteriorate overnight either. that took time to dissolve and misalign with all parties involved participating in the deterioration. You must give all magic spells, love spells, voodoo spells, rituals and ceremonies time to align and rebalance. If you find that you cannot give the magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies the proper time to work its best that you do not order from me.

Anyone who tries to claim that their magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies can fix your relationship or situation overnight, or guarantee results within 24 hours or any other outlandish claim is lying and preying upon your emotional grief and desperation. Please bear that in mind no matter how badly you need to hear those words, or desperately want to believe all will be resolved in 24 hours or less. it won't and to think so is unrealistic. magic spells, love Spells, voodoo spells, rituals and ceremonies simply do not work instantly the concept of instant gratification, quick fix magic spells, love spells, voodoo spells, rituals and ceremonies is nothing more than false advertising to get your money. it is a process of removing negative aspects, untangling, fixing, realigning, healing, evolving and maneuvering the energies at play to affect these changes for the best possible outcome. magic spells, love spells, voodoo spells, rituals and ceremonies will help any situation and are well worth the time to have cast Whether it be to push you through a major transformation for growth, evolve your consciousness and awareness, or move you forward from something, or someone which no longer serves the greater good in your life, release needless attachments, trauma, destructive behaviors, and any negativity you are clinging to, or placing you on a more beneficial path: all magic spells, love spells, voodoo spells, witchcraft spells, rituals and ceremonies will benefit your needs. The lwa, deities, gods, demons. goddesses, saints, djinn, devils, de mi-gods or other such spirits always knows so much more than we could ever, so you must trust their intercession and timing on matters to insure the most beneficial alignment for you. I have been involved in the occult for over 32 years and when i cast any magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies, the spirits that are used are petitioning your requests, desires, prayers in a formal ritual on your behalf based upon the details that you provide during the order process and intercede on your behalf to help you get the outcome you are wanting, I use ancient magic spells that have been used for thousands of years.

my clients have experienced fantastic results over the years you can read more about that on the testimonials page and those that had the fastest results from my services are those that put forth the most efforts into the magic spells, love spells, voodoo spells, rituals and ceremonies. Here are a few things you can do to support that

#### AFTER YOUR SPELLWORK IS COMPLETED:

Do not obsess over your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies. this creates more negative energy around you and will make things more difficult for you to get what you want

I highly recommend that you use the recommended magic spells, love spells, voodoo spells, witchcraft spells, rituals, or ceremonial items exactly as you are instructed. this enhances and reinforces all the spiritual energy for the desired outcome that you want from the casting

.This is extremely important do not harass - berate - interrogate - challenge - stalk - impose - emotionally terrorize - check up on - obsess - intercept phone calls or e-mails - or behave in any other obsessive or needy way towards your ex or their friends - relatives – or anyone involved in the situation. this will reverse all the spell work or ritual work that was performed on your behalf You must remain calm and detached from your situation during the casting of your magic spells, love spells, voodoo spells, witchcraft spells. I understand, it's very hard when you are so hurt and unsure, getting rid of the anxiety and obsessive thinking over your ex will change your situation for the better. this includes obsessive, hysterical or chronic messages for attention to any spell casters or practitioners that you are working with. Spiritual workers are there to help with the spiritual side of your problem/issues, you are responsible for yourself and you need manage your feelings and issues especially if you are experiencing these types of emotional imbalances, fixations to an extreme or unhealthy degree.

Do not discuss your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies with anyone else other than your specific spell caster or practitioner. if you do this will only cause needless interference and energy in your life and can ruin the spell work. It is best that you give things time to work before you contact me three or so months after your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies are performed and let me know of your updates and progress, as that is when i will be able to see how it is manifesting for you. i will not have any gauge of your work until some time after your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies are performed. Daily e-mails or phone calls during your ritual work I strongly discouraged as this takes our time and energy away from your ceremony and if excessive, belligerent or abusive in time, they will not be responded to as i cannot nor do not encourage such unhealthy fixations. You must use common sense and your own judgment when interacting with those involved in your relationship as i can't tell you how to react, behave, respond or advise you on your daily life choices or communications within your relationship.

If you need that type of guidance. i recommend that you e-mail me for a consultation so i can look into your details at that time to provide your need for such services. You must understand and be prepared for the root causes of the problem to surface during your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies; often, it is not what you think the problem is you also need to be prepared to accept and cope with any new information on the causes of the breakdown or problems. the magic spells, love spells, voodoo spells, rituals or ceremonies will always reveal the truth. It's extremely common for other magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies to be performed as the different situations are revealed in the magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies: remember there is always a solution for new information or altered circumstances.

Do not get caught in the negative cycle of grief and despair, this can mess up the spell work and can easily block all of the ritual work from manifesting, instead, acknowledge you are feeling destroyed at the moment, find and do things that make you happy and content in your life. this works wonders with magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial work that you have done from me. Remember, to have plenty of faith, time and patience for any magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies, it will help things manifest faster for you.

#### CUSTOM MAGIC SPELLS

custom magic spells are a product that are created exclusively for you and the subjects you name based upon the details that you must send me in an e-mail. I may also require some biological samples (hair fingernail trimmings, even handwriting is fine), sent in plastic bags, photographs, physical description, geographical location, full names, date of births and any other details on the subjects you can provide along with your written details as to what you want accomplished before I handcraft the appropriate elements, ritual items and instructions for your custom spell work. this is something I recommend especially in very difficult situations. You may need specific cleansing spells or other cleansing and banishing products along with the custom spell especially if you have had spell work done by multiple spell casters or practitioners before. as well to bring about all the changes you are wanting from the magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies that you have done from ancient magic spells. the custom spells require a spiritual consultation to review the details and complexity of your situation. Custom work is around 85-90% effective, largely due to the spell casters or practitioners performing additional work on your behalf, and are mainly reserved for very complicated cases, however, you are subject to the Karmic aspects of your life path as well and therefore a successful outcome or obtaining exactly what you think should happen cannot be 100% guaranteed. Please read more about “Guarantees” and the “do magic spells love spells voodoo spells witchcraft spells really work?” Section for more details.

## MAGIC SPELLS LOVE SPELLS VOODOO SPELLS RITUALS AND CEREMONIES

Although the amulets, candles, charms, incense, oils, talismans, charm bags, root charm bags, gris-gris bags, potions, hoodoo oil, root charms, powders, body washes, magic bowls, prayer bowls, bath oils, bath salts, dead sea salts, dead sea mud, voodoo dolls, ritual bath kits, Etc. all have very detailed instructions. i still receive e-mails with more questions so i will go into more detail here for your convenience.

i do not recommend that people use two or more different magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial or spiritual items and products at a time from different places simultaneously. If you are already working with another spell casters or practitioners magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial or spiritual items and products Etc. i recommend that you finish your work and wait for the results. You really do not want to be invoking conflicting lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits. during your ritual work as this will not benefit you in any way and will most likely conflict and cancel each other out so that nothing will work until it is removed. i receive so many e-mails from people who want to have magic spells, love spells, voodoo spells, witchcraft spells, rituals, ceremonies, spiritual items or other spiritual work done, but they are in the middle of someone else's magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies - which is great, but continue with what you are working with the other person first and then see if you need a different approach. Not everyone's ritual work is going to work for a myriad of different reasons but once engaged, you really need to complete the ritual to the end so you can see which path is working for you and it will lessen the possibility of a miscalculation or conflict in your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial work

Please read all the instructions very carefully before using any items from me. read the manuals, instruction cards and web site information several times if you need to. most of your questions are indeed answered there. Also, if there is a word you do not recognize for whatever reason, please look it up in the dictionary. For example, do not e-mail me asking what infusion or cleansing is, you should be able to research this on your own with no problem. Also, please exercise a little common sense and reason in using any items from me, do not e-mail me to confirm the instructions, they are double checked before shipment and they are as simple as possible.

When using any item that i send you. you need to be in a private environment, relaxed and focused on what you need to do with no distractions. Do not let family members, roommates, lovers, mates, friends, the telephone, e-mail, pager, etc. get in your way of your time that you need. Do not tell everyone on the planet you are doing spell work, do not engage in any drama with people you are performing the spell work on, do not call, harass, stalk, get into emotional histrionics or arguments with your mate when performing your spell work, etc. Just do your ritual work and please, please, please, exercise some patience too. Do not e-mail pestering me with questions about what time will this take affect, or anything along those lines, i have no way of knowing when all of your requests, if all are possible, will come to fruition for you.

The instructions cover in great detail the offerings for the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits. please use your best judgment should certain items not be available when purchasing your offerings. All offerings are available at any grocery store in the us or convenience store, these are not difficult to obtain. if you need a detailed list of what is required for your magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies just let me know, via e-mail and i will tell you exactly what is needed for the magic spells, love spells, voodoo spells, witchcraft spells, rituals, ceremonial, or spiritual work.

Your offerings should be well thought out and carefully chosen with your best efforts and sincerity. this is the goal after all, and the products are very specific no substitutions can be made for what is needed. What you give mirrors your true intentions to sacrifice and thank the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits are the purpose of the offerings.

If you are using candles burn an equal amount of time each day, if need be, make equal marks along the side of the candle so that the candles burn for the amount of days you will need them so you can insure your candles burn the same amount of time each day.

When instructions say anoint this means to rub oil on the spell kit candles or pour a few drops of oil or a few pinches of powder each day in your gris-gris bag for the prescribed amount of days.

## GUARANTEES

If i haven't made this clear enough, here is further elaboration on this concept of guarantees in any spiritual or magical rituals. First, if anyone on the web is guaranteeing the results of their ritual work. they are lying to you. No one is god and therefore cannot possibly guarantee the outcome of your situation. There are sites that will refund you money if you are not satisfied with your product, and that is an entirely different situation. i cannot, nor will not, claim your ritual will have a 100% successful outcome exactly as you desire; i have no way of knowing how you followed the instructions, if you changed your mind mid-ritual, or in the middle of the casting, if you actually attempted to perform your ritual, if what you are requesting is not possible since i really don't know your Karmic path nor do i know every single influence affecting your particular situation just to name a few of the many many reasons why your results can be different from what you request. This truly applies to everyone actually, there isn't a spell caster or practitioner alive who knows any of this information with 100% certainty, therefore, after all ritual work is complete, the final outcome is always left up to the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits and what they deem is the best resolution and outcome is for you.

i do guarantee we use only the finest ingredients that are available, as well the highest grade pure essential oils anywhere, that our products are based upon the best and most authentic magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial methods possible. i also guarantee that if a product arrives damaged, i will replace that product upon receipt of you returning the damaged product guarantee you will always receive customer support for anything you may need and a timely as possible response from me. At ancient magic spells i do offer a lifetime guarantee on all spell work if you get no results at all from any magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies that were cast on your behalf. the spell will be recast for you absolutely free of charge. If the spell work that i do for you does not work exactly as you want with the first casting i will recast it for you absolutely free of charge. while i do not offer any kind of money back guarantee on any services, or spell work sold here at ancient magic spells after the spell has been prepared. i do offer a 25% down payment with nothing more to pay until you get the results you want from the spell casting, so that you can try my services and see for yourself if you would like to pursue my services further.

## HOW DO MY SPELL CASTING AND RITUAL PRODUCTS WORK?

This is a very common question from customers, how exactly does applying this elixir or using this amulet, charm, or talisman, etc. actually work for me? First, all magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonial or spiritual items and products, the most powerful ones anyway, are hand-made and depending on the skill of the spell caster or practitioner every item is infused with magic spells, love spells, voodoo spells, rituals or ceremonies ritualizing each product after they are prepared for you, draws the energy and spiritual power from the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits they are ritualizing the spiritual items for you through the power of the caster or practitioner, thereby giving you the benefit of their powers and needed assistance. Many spiritual energies are more intense than others and the products that i sell are known to be very high-energy and intense. so there is no need for you to be worried about using any product that i sell; that type of energy will only benefit you when i perform or cast magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies on your behalf Voodoo is a religion that has an extremely vibrant life force, therefore, and since there are magical life forces in every thing, using the most organic elements such as roots, herbs, plants, sand, stones, water, precious oils, etc. bring forth their magical energies into your magic spells, love spells, voodoo spells, rituals or ceremonial work, and will affect specific changes in your life which is why authentic formulary and other elements are so crucial to effective spiritual products. the quality of these ingredients and that go into our products make an enormous difference. i only buy and use only the best that i can get of the finest herbs, roots, plants, rare and precious 100% pure essential oils, ottos, attars and absolutes, hand-pressed ritual powders, hand-brewed and hand-blended elixirs, anointing oils & potions to insure great results for you. i carefully craft each and every item by hand, and carefully inspect it after it is made. everything that i ship gets double checked for quality. then it is mailed to you for your use.

## POTIONS PERFUME BODY OILS BODY WASHES AND ELIXIRS QUESTIONS

All of the perfumes, love potions, elixirs and Body oils and body washes are already hand-crafted and ritualized for you, all you need to do is apply to the body like you would any other perfume or body spray. I receive many e-mails from people not sure of how to use them. you merely wear them to affect these changes in your life.

## SPELL CASTING SCAMS SPIRITUAL SCAMS

I have received thousands of e-mails and calls over the years get with the same recurring story. I paid them hundreds or thousands of dollars for a spell or other item, and now I cannot locate them, they will not return my call, they will not e-mail me back, I think I've been scammed and ripped off...

i always inquire: who is this person or company and what were the details of the situation? I ask this because a lot of the time other casters; often legitimate practitioners get blamed when their client didn't win at the casino or when they went and got lottery tickets for the lotto or something else that is usually ridiculous, so out of respect for those amazing spell casters and practitioners available in the world, I always give them the benefit of the doubt as many people often have unreasonable expectations or requests that sometimes are just extremely unrealistic to begin with and it does not matter how many times they are told the reality of spiritual work and the possible outcomes.

This does not mean you have been scammed or ripped off just because you didn't win the 40 million dollar jackpot lottery or because your lover married someone else they couldn't make your life different then what you want. sometimes in life we do not always get what we want. Any legitimate spell caster or practitioner will disclose the potential outcomes and the realities of situations that cannot be altered in any way. If you choose not to listen and go ahead with someone's spell ritual anyway, do not blame them for no results. the results were just not what you wanted. Your prayers and petitions to the spirits are always answered in some way. sometimes the answer is a definite no to your requests. sadly sometimes in life we do not get what we want from it and have to learn to cope and move on as best that we can. For those who have been truly scammed and ripped off; it is disgraceful and embarrassing for every spell caster, practitioner, and spiritual worker to hear of yet another scum bag has preyed on the vulnerable. So many spell casters, practitioners, and spiritual workers that I have known over the years are so devout and dedicated to serving their clients and have provided incredible assistance to their clients for years. when you have a spell cast, work with psychics, witches, shamans, priests, covens, etc. or have any type of divination, readings, or spell casting done. there are dangers and pitfalls that you need to be aware of especially when dealing with someone unknown. Here are just a few of the common ways of how you can determine if you are working with a shady spell caster, practitioner, spiritual worker or spiritual organization.

1) They have no legitimate method of which to receive funds for their services or items that are sold, such as a merchant account or credit card capability, no phone number (except a pay per minute toll line for the privilege of speaking to the spiritualist or whatever), no business address, street address, store front, live humans answering the phone or returning phone calls! If they are operating using e-payments or Western Union or money order only, that should raise a red flag.

Normally, but not always legitimate businesses undergo much scrutiny, credit checks, background checks, operating license verification and financial review before a bank will issue them a merchant account, which certainly increases their credibility and gives you the consumer, an avenue to locate the company should a dispute arise.

2) They address themselves as the amazing, The most powerful, the voodoo king, the voodoo queen, high priestess, etc and are still not accessible to you in any way other than a P.O. box. they are on the internet with no names, addresses, or even valid contact information.

3) They tell you that they can guarantee the outcome work within a certain time period. I can guarantee that this is a scam to con you out of your money. send me your money and I guarantee your lover will return to you, or they guarantee that you will win the lottery for millions. That way too ridiculous to even consider as they are not god and can not guarantee if you will even win, how much you will win or when.

4) They demand full payment up front or try and scare you into sending money immediately even though they have not conducted any type of consultation or divination to even determine what is going on in your particular case or situation.

5) Their initial consultation, should you even obtain one, always tells you this situation can be fully repaired, or fixed in amazingly, 12 - 24 hours, or whatever stupid unrealistic time frame for sure, all you have to do is just send them money and all will be perfect for you. it does not work that way in the occult.

6) They tell you that any magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies requires thousands upon thousands of dollars for them to perform. this is simply a lie and not true in any way. yes many of the most powerful spells that i carry are very expensive and time consuming to cast. some magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies that i carry can be done for you for as little as \$100.00, often, something simple like a good cleansing and banishing ritual can remove many blockages and obstacles, and vastly improve your life for the better.

7) If they just work off of the internet, find out where they meet with clients. if they do at all. some casters or practitioners will not. There is nothing wrong with not having a store front as they can substitute many safe places to meet and get acquainted, or phone consultations and professional e-mail exchanges, but there is something wrong when these practitioners are not accessible by any reasonable means of contact.

8) make sure that you inquire prior to ordering any spells or spell work that if your spell requires any further work that it is included in the cost of the spell. if the site asks you for more money to complete the spell casting such as you need a stronger spell, or they need more money to travel to complete your spell file a complaint with your payment provider or credit card company to get a refund.

a real spell caster or practitioner can take a look at your case and tell you exactly what you need for your casting before you purchase any spell or ritual. when you purchase any spell work from me the quoted price is all that you pay. even if for some unforeseen circumstance that i have to do extra work for you it is provided at no additional cost to you.

## REVENGE SPELLS

This is a very complex situation for a great number of people, and i have heard from many other spell casters and practitioners over the years that revenge spells and curse spells are bad and this “law of three” rule will occur should you decide to fight back and defend yourself, which to me is pure drivel. it is a religious tenant started by some to keep casters and other practitioners of the occult away from the dark side of the occult. i have been a practitioner for over 31 years. i have cast hundreds of spells over the years for everything from family curses, spells to ruin a couple financially. to break up a couple that are in love, etc and i have not had one single bad thing happen to myself or my clients because of it.

there is nothing wrong with you defending yourself properly especially in situations where people are actually trying to hurt or destroy you. They say that your work will supposedly come back and kick you three fold for trying to protect and send back harmful, vile or evil works done against you. I have never seen this in effect, in any way shape or form and do I believe it does not exists. I do believe that what you put out you will get back, especially if unjustified. I do not think protecting yourself from vile and horrid people and sending back their chaos is wrong, you have the right to defend, protect and repel such people from your lives. if they gave unjustifiably in your mind to give harm to you, you have the right to send it back to them. revenge spells takes affect by sending back the work and energies to the person who sent them to you in the first place. How that manifests is up to the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits, but you have every right to request this be carried out to protect you, your livelihood, your loved ones, family and your children.

The lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits are not always fixated on you, nor always catches nasty work or intentions being sent your way. Sometimes, they have to allow things for you to learn and grow from them, and sometimes they need time to know what is happening as well to best intervene and resolve the situation for you. Also, when conducting any magical ritual, you are always giving up something to affect this change and incur expense: spiritually, emotionally or some other part of your life will change. There is always a cost, it may not be seen today, you may not know where it is drawing from to affect this change for you or where they may be pulling it from later in your life, but there is always a spiritual cost involved for any type of magic spells, love spells, voodoo spells, witchcraft spells, rituals or ceremonies. you have to be very careful of what you wish for, not only will you get it, but you may find out the cost taken out of somewhere else in your life was too great for the outcome.

#### FREE MAGIC SPELLS LOVE SPELLS VODDOO SPELLS OR SPIRITUAL SERVICES

I get many e-mails from people who want to conduct their own rituals, buy or make their own products or do it all themselves, and then want FREE lessons as to how to invoke the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits. i am not a teacher of the arts, if you want my services you pay for them. i even receive e-mails and letters from people who buy other people's products and because they are never available to answer your question, respond to your e-mail nor have a phone number, they contact me to explain how to use them. as if we'd know how to use someone else's items that were prepared for you. i have no idea what they are giving you or how they want you to use the items so you need to contact the place where you bought your items and ask them for assistance. i only provide instructions and assistance to clients; which is a paying customer. do not expect me to provide you instructions, advice, techniques or anything else related to your own ritual work or explain another companies ritual work.

i receive many questions as to why spiritual services cost money or can they pay after they "see" results. everyone must pay before any ritual work is performed, also, since the concept of results is left to the lwa, deities, gods, demons. goddesses, saints, djinn, devils, demigods or other such spirits and what they deem is necessary or beneficial to you, therefore, i cannot control every aspect they have to maneuver to bring you the desired outcome and in what time frame. if i get stupid or ignorant e-mails i will not even bother to respond if asked.

i am a highly skilled practitioner of the occult; i have trained and studied for many years and i still do, it is work, just like any other job or service. When everyone else starts working for free, so will i. there is no such thing as free oils, herbs, roots, plants, dolls, labor, products, offerings, operating expenses, Etc. it all cost money, and if you want my services you pay or you can do without.

one last point i would like to address, just because a spell caster or practitioner charges for their time and you didn't get the exact results you thought you should, doesn't mean they didn't do their very, very best for you. What is charged is usually for the offerings, the rituals themselves and the spell casters or practitioners time for the intense amount of planning, knowledge, work and divinations that go into your ritual.

### About The Spells

### Restrictions if any for the custom spell work from ancient magic spells

The spell may not be able to be cast properly if you do not let me know if you have had other spell work cast for you previously by another caster before engaging in my services If you received any amulets, talismans, candles, potions, powders, magic rings, dolls, conjure bags, mojo bags, etc, its best that you dispose of those items prior to getting any spell work cast from me. If you do not dispose of the item properly chances are good that any spell work that you get from me will be useless, a waste of my time and your money. If you need any help disposing of any item just contact me and I will advise you on the disposing of it. If you have any questions feel free to contact me prior to ordering any spell work. If you you would like the best that i have to offer that will work in any situation. I would suggest the 7 day 7 ritual series, the 9 day 9 ritual series the 10 day 16 ritual series, or the 20 day 32 ritual series of spells. They can be found for specific situations such as, healing, legal-court case, love related issues, money problems sexual issues or sex related problems. If you would like the ritual series fully customized for your needs. They can be found under black magic spells and custom spells.

### Type of Casting Available for the Spell

All custom spells can be cast using whatever methods you are comfortable with including; white magic, black magic, magick, hoodoo, luciferian witchcraft, voodoo rootwork, christian magic, candomble, macymba, chango, naniguismo, egyptian witchcraft, santeria, satanism, necromancy, witchcraft and many other forms of magic are used here.

### Time frame and Results

All spell work cast as a general rule needs the proper time to work. Results can be seen any time after the spell work is cast to several months time, with three to six months for results being normal. There are no guarantees that you will get results in that time frame. results happen when they happen in the occult. Any place stating that you can get results guaranteed in 24 hours. 30, 60, or 90 days is just after your money.
